

# 21<sup>ST</sup> NATIONAL CONGRESS OF UROLOGY

Dear Colleagues;

21th National Congress of the Turkish Association of Urology, will be held between 30 October-3 November 2010 in Istanbul. The aim of this congress is sharing of current data, transference of generated information to other colleagues and creating of a suitable social environment for the participants.

The reason for organizing this National Congress in Istanbul is the conveniency of Lutfi Kırdar Congress and Cultural Center for the Congress ritual and the potential of Istanbul to raise the number of international participants as the European Cultural Capital in 2010.

First time this year scientific board, composed of 40 people, designated the international participants and 31 of this academic group confirmed their participation to the congress.

Meanwhile, joint meetings between Urology Associations of Eurasian Countries will be performed and thus Turkey's journey to become an educational and scientific center beside being a bridge between eastern and western culture will progress.

We welcome and hope to see you in the 21th National Urology Congress performed in line with education and scientific policies of Turkish Association of Urology
