### Dr. Muhammad Imran Omar Biography

Dr. Muhammad Imran Omar is a qualified medical doctor with a special interest in medical education and healthcare research. Dr Omar obtained his M.B.B.S degree from Dow Medical College (1993-1998). Dr Omar is certified as a Physician by the Educational Commission for Foreign Medical Graduates (ECFMG), USA, after clearing the United States Medical Licensing Exams (USMLE Step 1, USMLE Step 2 and Clinical Skills Assessment exam). Dr Omar is registered with the General Medical Council UK, and a Fellow of Higher Education Academy, UK. Dr Omar obtained Masters in, Health Services and Public Health Research from the University of Aberdeen (2009), and Masters in, Medical Education from the University of Dundee (2012). His areas of research interest include systematic reviews, evidence-based medicine, clinical practice guideline development, real world evidence and big data. He worked as Managing Editor for Cochrane Incontinence group for almost 5 years, and now works for the European Association of Urology as Guidelines Office Methodology Supervisor, Vice-Chair of the EAU Methods Committee, and a member of the EAU non-neurogenic female LUTS panel. Dr Omar is an Editor of Cochrane Urology, and is based within the Academic Urology Unit of the University of Aberdeen.
